

# *Doggie Wash Fundraiser & Meet & Greet*

***Please help Placing Paws  
continue to help  
dogs like Macey.***

Macey came to us, along with ten other dogs, from a puppy mill in Missouri. The horrors of puppy mills were evident by their poor condition upon arrival.

A magical transformation is taking place, however, recent expenses so far have exceeded **\$6000**.

This is a huge number for a small rescue like Placing Paws to handle. We desperately need your help so that we can replenish the money and continue saving more animals.

## ***How can you help?***

Please join Placing Paws and have your Pup *Fluffed and Puffed* and meet some of our available animals.
