The Remembrance Rescue Project ([www.therrp.org](http://www.therrp.org)) is a not for profit organization created by Fire Fighters to provide support to families and children of fallen firefighters throughout the United States, while also working to preserve New York Fire engines Rescue 4 and 5 from 9/11 as educational tools, historical artifacts and memorials. We are honored to have one of the September 11th New York Fire Engines at our Charity Fundraiser this year.

Placing Paws of Illinois (PPI). Placing Paws was established in 2008 in Lake County with the goal of saving animals from high risk situations. One of their primary goals is to take animals from rural shelters that have a high euthanasia rate and place them in Loving, Caring adoptive homes. All of the animals that are taken into PPI care receive comprehensive veterinary care and a loving foster home while they wait to be placed in their new homes.

The Special Olympics Law Enforcement Torch Run. This is an annual event that began in 1981, and is sponsored by over 3,000 officers from Illinois' police departments, including the Buffalo Grove Police Department. This event raises money for Special Olympics Illinois who provides year-round training and athletic competitions in a variety of Olympic-type sports for over 30,000 children and adults with development disabilities. Through a successful experience in sports, these athletes gain confidence and build a more positive self-image that carries over into the home, classroom, work place, and our community.
