

Leather Wheeled Pet Carrier

MSRP: \$199.95

Placing Paws Price: \$ 90.00

Three Stage
Telescoping Handle

Beautifully crafted rolling pet carrier in soft lambskin leather

Two front pockets and two side pockets for pet supplies

Great for transporting a small pet as aircraft carry-on

Ample room for pet to lay down

Padding on the floor and back wall of the interior compartment for pet comfort

Large zippered front opening

Includes built-in interior dog clip leash*

Zippered mesh window on each side of carrier concealed by privacy panel

Holds pets up to 18 lbs

Modeled by: Nuby

Under aisle seat

Under middle seat

Fits under most airline seats depending on aircraft configuration. Meets most airline guidelines for carry-on pet carriers.

Privacy panel allows for discrete temporary transport** To allow ample air flow through mesh windows, just pull back the magnetic panel then fold down and tuck the panel into the back of the side pocket as shown.

* For the safety of your pet, please attach clip to a dog harness and not the collar.

** For adequate airflow, please keep at least one privacy panel down while pet is in carrier for any length of time.
